The 8th IEEE International Conference on Nano/Molecular Medicine and Engineering

IEEE-NANOMED 2014

NOVEMBER 09-12, 2014

Call for Papers

Conference Scope

The 8th IEEE International Conference on Nano/Molecular Medicine and Engineering (IEEE-NANOMED 2014) will be held in Kaohsiung, Taiwan from November 09-12, 2014. IEEE-NANOMED is one of the premier annual events organized by the IEEE Nanotechnology Council to bring together physicians, scientists and engineers in the area of ano/Molecular Medicine and Engineering. The conference provides a unique forum for highlighting the latest research results in molecular engineering, microfluidics, nanotechnology, system integration, fundamental biology, and translational.

Abstract Submission and Paper Publication

All 2 page extended abstracts must be submitted in PDF with IEEE Conference paper format by June 15, 2014 for reviewing. Authors with accepted papers may choose to submit a 4 to 6 page full paper (in IEEE conference paper format) by August 15, 2014, for inclusion in the IEEE Xplore® database. IEEE-NANOMED full papers published in the Xplore Database are EI indexed. (http://ieee-nanomed.org/)
Selected paper in the conference will be invited to publish in special issues in SCI-indexed journals. Details will be announced in the conference.
